Letter from the SFCC President

Dear Neighbors,

It has been an honor and a privilege to serve as president of the Sherwood Forest Community Club for the past year. I have been part of the board for a few years and it has been a humbling experience to be part of a community with this much history. I was often reminded of the amount of respect that our club has earned with the City of Bellevue and that makes me feel very proud to be part of this community.

Please join your fellow neighbors at our first ever virtual annual Sherwood Forest Community Club meeting. I can assure you that you will learn something new. I strongly believe that you and your neighbors will benefit from your involvement. Our board is losing a Vice President Patrick Tousignant due to term limits of 2 years.

Thank you again for the opportunity and I hope to see you at the meeting,

-- Lee Sargent
